THE DOCTOR HABIT And How She Overcame It

When well selected food has helped the honest physician place his patient in sturdy health and free from the "doctor habit" it is a source of satisfaction to all parties. A Chicago woman says:

"We have not had a doctor in the house during all the five years that we have been using Grape-Nuts food. Before we began, however, we had 'the doctor habit' and scarcely a week went by without a call on our physician.

"When our youngest boy arrived, five years ago, I was very much run down and nervous, suffering from indigestion and almost continuous headaches. I was not able to attend to my ordinary domestic duties and was so nervous that I could scarcely control myself. Under advice I took to Grape-Nuts.

"I am now, and have been ever since we began to use Grape-Nuts food, able to do all my own work. The dyspepsia, headaches, nervousness and rheumatism which used to drive me fairly wild, have entirely disappeared.

"My husband finds that in the night work in which he is engaged, Grape-Nuts food supplies him the most wholesome, strengthening and satisfying lunch he ever took with him."

SOME HORSE

Equine Monster, "Jumbo," the Very Largest Horse in the World

What is declared to be the world's biggest horse is now owned by the Mack Brothers Truck Company in New York, and they challenge the equine universe to produce his equal. No other horse could be found that did not object to be made an object of ridicule by comparison with "Jumbo," so the big fellow works in shafts by his lonesome.

"Jumbo" is a Clydesdale and is twenty and a half hands in height, or six feet and ten inches from hoof to shoulder. His weight is 2,430 pounds. He is five years old and has spent most of his life at Tappan, N. Y., but it was not until he was brought to the metropolis a short time ago that he acquired the name and publicity that are his by right.

His stable mate is a two-year-old pony that stands seventeen inches in height, and the illy-assorted pair are great friends. Because of his willingness to pull heavy loads, alone and unaided, "Jumbo" gets a bushel of grain a day in addition to a liberal quantity of hay. He is exceedingly gentle and owners say he is the equal in pulling capacity of any other two horses in his stables.

Deafness Cannot be Cured by Local Applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless a course of treatment is given by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Official Call for Republican State Convention, 1912.

OFFICE REPUBLICAN STATE CENTRAL COMMITTEE,
LOUISVILLE, KY., February 14th, 1912.

To the Republican Electors of Kentucky: In accordance with established custom, and in obedience to the rules governing the Republican Organization of Kentucky, and the official call of the Republican National Committee, the Republican State Central Committee of Kentucky now directs that a State Convention of delegated representatives of the Republican Party of Kentucky be held in the City of Louisville, Kentucky, at 1 o'clock p. m. standard time, on Wednesday, the tenth day of April, 1912, for the purpose of electing four delegates from the State of Kentucky at large, and four alternate delegates at large to the National Convention of the Republican Party to be held in Chicago, Illinois, on Tuesday, June 18th, 1912, and for the purpose of nominating two electors from said State at large, to be voted for at the election to be held November 5th, 1912.

The delegates to said State Convention shall be elected by County Mass Convention to be held in the County Seat in each county at 1 o'clock, standard time, on Saturday, April 6th, 1912, except in the counties of Bell, Boyd, Campbell and Keeton, in which counties conventions shall be held in the cities of Middlesboro, Ashland, Newport and Covington, respectively, and provided that in Jefferson county said mass convention shall be held in each of the Wards of the City of Louisville, and for the county outside the limits of said city, which latter meeting may be held in said city. One delegate shall be elected for each one hundred votes or fraction thereof, amounting to fifty or over, cast for the Republican electors in such county as the Presidential election of 1908. The form of voting at said county or Ward Mass Conventions shall be by ballot in each county in which the county committee provides for the election of county committeemen by ballot at county or Ward Mass Conventions, and said election of delegates in counties which elect county committeemen by county or Ward Mass Conventions shall be held by the same officers who conduct the election of county committeemen. In counties which do not elect county committee by ballot the form of voting for such delegates shall be viva voce.

The Republican Congressional District Committee of each Congressional District, as now constituted, will, as directed, by the call of the Republican National Committee, meet and direct the holding of a Congressional District Convention in such district for the purpose of electing two district delegates and two alternates to said National Convention, and said committee is hereby directed to provide in its call for the election of one member of the State Central Committee, and for the nomination of one elector, to be voted for at said National Election.

And it is hereby recommended that the delegates to said district convention be elected at the same time and in the same manner as the delegates to said State Convention.

MUST BELIEVE IT

WHEN WELL KNOWN MAYSVILLE PEOPLE TELL IT SO PLAINLY

When public endorsement is made by a representative citizen of Maysville the proof is positive. You must believe it. Read this testimony. Every backache sufferer, every man woman or child with any kidney trouble will find profit in the reading.

Mrs. Della Means, 328 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case, the first symptom being sharp pains through my kidneys, accompanied by a bearing-down feeling across my hips and loins. Dull, miserable headaches were also common and I often became so dizzy that if I did not catch hold of something I would fall. I continued to grow worse, until I was often confined to my bed for a week at a time. No remedy I tried helped me, and I began to have symptoms of dropsy. My body became bloated and I had about despaired of ever being cured, when I read of a person who had been cured of similar trouble by Doan's Kidney Pills. Deciding to try them, I procured a supply at J. J. Wood & Son's Drugstore, and obtained so much relief from the use of the first box that I continued taking this remedy until I was entirely cured. I have no hesitation in saying that Doan's Kidney Pills saved my life."

MORE LIGHT
LESS COST

This is a time-proven fact—that electricity is the cheapest form of lighting when brackage, upkeep and time is taken into consideration. It is much easier to economize when you have only to touch a button than when you have to get a match, light a lighter, then possibly adjust the burner.
